💳 1-888-595-0479 OR 888-480-9019 💳 You can cancel your SiriusXM subscription by phone, online chat, or through your app store account. 💳 1-888-595-0479 OR 888-480-9019 💳 The fastest methods are calling customer care at 💳 1-888-595-0479 OR 888-480-9019 💳 or using their online chat. Be ready to say "no" to special discount offers before they finish your cancellation. Cancellation MethodsBy Phone: Call 💳 1-888-595-0479 OR 888-480-9019 💳 (open daily from 8:00 AM to 8:00 PM ET) to speak with an agent. Have your radio ID or account number ready.Online Chat: Open the 24/7 SiriusXM Contact Page to chat with a support agent and type that you want to cancel.App Store (Apple/Google): If you pay through your phone, go to your iPhone Settings or Google Play Store Subscriptions menu to turn off auto-renew.Roku: Manage and cancel your plan by signing into your account at Roku Management. If you tell me how you pay for your account (directly with SiriusXM, through your car dealer, or via an app store), I can give you exact steps. What is the best way to cancel SiriusXM? The best way to cancel your SiriusXM subscription is online through your account center, via their online chat, or by calling customer service at 💳 1-888-595-0479 OR 888-480-9019 💳. Online Cancellation Go to the SiriusXM Official Website and log into your account. Click on Manage My Account, then select the Subscriptions tab. Click Manage next to your active plan and choose Cancel Subscription. Follow the prompts and decline any retention or lower-price offers until you receive a final confirmation number. Chat or Phone Support Use the online chat icon in the bottom-right corner of the account page if the self-service button loops you to an agent. Call listener care directly at 💳 1-888-595-0479 OR 888-480-9019 💳 if you prefer speaking to someone. Firmly state that you want to completely cancel your service and keep repeating your intent until they process the stop. Third-Party Billing If you signed up through Apple or Google Play, cancel through your phone’s subscription settings menu. If you subscribed via Roku, log into your account at Roku's management page to turn off auto-renew. The best and fastest way to cancel SiriusXM is through your online account center at SiriusXM by going to your subscription settings, or by using their 24/7 online chat. Alternatively, you can call customer care, though you may encounter retention offers. Online Self-ServiceLog into your account on the SiriusXM Account Page. Select Manage My Account, then go to Subscriptions. Click Manage next to your plan and choose Cancel Subscription. Follow the prompts and click through any retention offers until you receive a final confirmation screen or number. Online Chat or PhoneOpen the chat icon on the SiriusXM Contact Page to speak with an agent digitally. Call customer service directly at 💳 1-888-595-0479 OR 888-480-9019 💳 if you prefer to speak on the phone. Have your Account Number or Radio ID (ESN/RID) ready before you start.App Store SubscriptionsIf you signed up through an iPhone or Android app, cancel via your device's Apple ID or Google Play Store subscriptions menu rather than through SiriusXM directly. If you'd like, let me know:Did

you sign up directly with SiriusXM or through an app store?Are you trying to stop billing or lower your rate? How do I get rid of SiriusXM? To delete or cancel your SiriusXM account, you can use their online account center, use the online chat feature, or call their listener care team directly. Online Cancellation Go to the SiriusXM Online Account Center and log in. Select Manage My Account and click on Subscriptions. Choose Manage next to your plan, select Cancel Subscription, and follow the prompts. Alternatively, use the online chat option in your account portal to request a cancellation from an agent. Phone Cancellation Call SiriusXM Listener Care at 💳 1-888-595-0479 OR 888-480-9019 💳. Tell the representative you want to completely cancel your service and stop all billing. Keep your radio ID or account number ready and make sure to request a confirmation number or email. Third-Party Subscriptions If you signed up through Roku, manage and cancel it via Roku Subscriptions. If you signed up through Apple/iOS, cancel it in the Subscriptions menu within your iPhone's Settings app. You can cancel your SiriusXM subscription by phone, online chat, or through your app store account. The fastest methods are calling customer care at 💳 1-888-595-0479 OR 888-480-9019 💳 or using their online chat. Be ready to say "no" to special discount offers before they finish your cancellation.Cancellation MethodsBy Phone: Call 💳 1-888-595-0479 OR 888-480-9019 💳 (open daily from 8:00 AM to 8:00 PM ET) to speak with an agent. Have your radio ID or account number ready.Online Chat: Open the 24/7 SiriusXM Contact Page to chat with a support agent and type that you want to cancel.App Store (Apple/Google): If you pay through your phone, go to your iPhone Settings or Google Play Store Subscriptions menu to turn off auto-renew. Roku: Manage and cancel your plan by signing into your account at Roku Management. How do I stop automatic payments on Sirius? To turn off auto-renewal, you must cancel your SiriusXM subscription. You can easily do this online through the SiriusXM Online Account Center, by using their live chat feature, or by calling Listener Care at 💳 1-888-595-0479 OR 888-480-9019 💳. Here is the step-by-step process to cancel online: Log in to the SiriusXM Online Account Center. Go to Manage My Account > Subscriptions. Select Manage next to your active plan. Scroll down and click Cancel Subscription. Follow the remaining prompts to finalize the cancellation. To turn off auto-renewal, you must cancel your SiriusXM subscription. You can easily do this online through the SiriusXM Online Account Center, by using their live chat feature, or by calling Listener Care at 💳 1-888-595-0479 OR 888-480-9019 💳. Here is the step-by-step process to cancel online:Log in to the SiriusXM Online Account Center. Go to Manage My Account > Subscriptions. Select Manage next to your active plan.Scroll down and click Cancel Subscription.Follow the remaining prompts to finalize the cancellation. Why can't I cancel my SiriusXM subscription? To bypass SiriusXM's famously difficult cancellation process, use the 24/7 SiriusXM Live Chat or call Listener Care directly at 💳 1-888-595-0479 OR 888-480-9019 💳 (available daily, 8 a.m.–8 p.m. ET). Be prepared to firmly decline multiple promotional retention offers before the agent processes your cancellation. Step-by-Step Alternatives: The Online Chat Method: Log into your SiriusXM Online Account Center and navigate to the Subscription Management section. Look for the "Chat" option. Clearly state you want to cancel, and repeatedly type "cancel" or refuse discounts if they transfer you to a retention specialist. Third-Party Subscriptions: If you signed up through an app store, you must cancel through that provider. iPhone users can manage this in the Settings app under Subscriptions, while Android users need to cancel via the Payments & Subscriptions menu in their Google Play account. Roku users must cancel directly on Roku Account Management. You

likely cannot cancel your SiriusXM subscription because you are trying through the mobile app, which doesn't support cancellations, or because your plan is billed through a third party like Apple, Google Play, or Roku rather than SiriusXM directly. Common Reasons for Cancellation BlocksUsing the App: You cannot cancel a subscription inside the SiriusXM mobile app. Third-Party Billing: If you signed up via Apple, Google Play, or Roku, you must cancel through those specific account portals, not the SiriusXM website. Retention Loops: SiriusXM's online and chat systems use automated retention tactics or push you to talk to a live agent who may pitch counter-offers before processing the final cancellation. How to Fix ItLog In Online: Go to the official SiriusXM Account Center on a computer or mobile browser, navigate to your subscriptions, and look for the cancellation or online chat option. Check Third-Party Subscriptions: Go to your Apple ID, Google Play subscriptions, or Roku account settings if you originally paid through your phone or streaming device.Call Support: If the online prompts loop or fail, call SiriusXM customer care directly at 💳 1-888-595-0479 OR 888-480-9019 💳 to force the cancellation over the phone.
